20 miles to the gallon of gasoline

The Franklin uses less fuel to go a given distance because light weight and less friction make it the easiest rolling—and therefore the most easily controlled—car on the market.

12,500 miles to the set of tires

Long tire life can only result from less road shock—and that means greater comfort for the rider and driver. Franklin comfort is as unusual as the tire mileage its owners get.

50% slower yearly depreciation

Slow depreciation means longer life, less troublesome and less expensive service during that life, and a higher re-sale value at any given period.

80% Increase in Production  
150% Increase in Demand

Nothing could indicate more clearly how all these Franklin owners' results meet the motoring needs of the times than the above figures.

JAPANESE GIRL, HEADED FOR NEW YORK, IS HELD HERE

Federal officers here took Yuen Nagashima, a young Japanese girl, off the westbound Golden State Limited Sunday afternoon. Upon investigation it was found that the girl is a daughter of a Japanese Salvation army officer in Los Angeles and had been started on her way to a training school in New York about ten days ago. At Chicago the girl was stopped and turned back. She was turned over to Salvation army officials here who wired officials in Los Angeles to ask what should be done with the girl. Officials here were unable to understand why the girl should be sent to a training school in New York when the Salvation army has a training school for Japanese workers at San Francisco.

Keep Your Blood Pure If You Expect Good Health

Rich, Red Blood is Essential to Your Well-Being.

You cannot overestimate the importance of keeping the blood free of impurities. When you realize that the heart is constantly pumping this vital fluid to all parts of the body, you can readily see that any impurity in the blood will cause serious complications.

Any slight disorder or impurity is a source of danger, as every vital organ of the body depends upon the blood supply to properly perform its functions.

Many painful and dangerous diseases are the direct result of a bad condition of the blood. Among the most serious are Rheumatism, with its torturing pains; Eczema, Tetter, Erysipelas and other disfiguring skin diseases; general debility, which makes the strongest men helpless, and many other diseases are the direct result of impure blood.

You can in a large measure avoid liability to disease, by the use of S. S. S., the wonderful blood remedy that has been in constant use for more than fifty years. S. S. S. cleanses the blood thoroughly. It is sold by druggists everywhere.
